

Who is the IAEP?

The International Association of EMTs and Paramedics is a division of the National Association of Government Employees / SEIU Local 5000. We represent thousands of EMS professionals across the country, with over 50 locals in more than 30 states. The IAEP has been a proven labor leader for over 30 years. Our entire membership is comprised solely of EMS professionals.

IAEP in California

The IAEP represents over 1,000 members in California, all of whom are EMS professionals with AMR:

- ◆ AMR Tracy
- ◆ AMR Santa Barbara
- ◆ AMR Ventura
- ◆ AMR Victorville
- ◆ AMR Antelope Valley
- ◆ AMR Irwindale

What about United EMS?

While United EMS is affiliated with AFSCME, they themselves represent no EMS professionals around the country. **Their total members in California: zero.**

As you prepare to vote on who will be your representative in the future, make an informed decision for yourself and your family.
